Parents Responsibilities

- Educating their children in responsible internet use and online awareness.
- Talk to your child or children about Social values and the standards that they should follow on the use of the Internet.
- Monitor their activities while surfing the web or accessing Social Networking sites.
- Block content you find to be inappropriate for your children.
- Talk to your children about keeping the school laptop safe from theft and how to handle situations when confronted.
- Enable parental controls on their laptops to protect your children when they are not being supervised.

Students Responsibilities

- Use laptops in a responsible and ethical manner.
- Obey general school rules concerning behavior and communication that apply to computer use.
- Use all technology resources in an appropriate manner so as to not damage school equipment.
- Help MOE protect their computer system by contacting an administrator about any security problems they may encounter.
- Monitor all activity on your account(s).
- Always log off the computer after you are done working to protect your accounts and files. If a student does not log off, any email or Internet activity under their name will be considered their responsibility.
- If a student receives email containing inappropriate or abusive language or if the subject matter is questionable, he/she is asked to print a copy and turn it in to the school.
